

Numeracy Learning Objectives

Students will...

- Solve addition and subtraction word problems with one and two steps
- Efficiently add numbers to 20
- Understand the place values of three digit numbers
- Use understanding of place value to add and subtract 3-digit numbers
- Measure and estimate length in standard and metric units
- Solve addition and subtraction word problems involving length
- Build, draw, and analyze 2-D and 3-D shapes

Literacy Learning Objectives

Students will...

- Pay close attention to details to answer who, what, where, when, why, and how questions
- Determine the lesson or moral of stories, fables, and folktales
- Use text features to locate key facts or information efficiently
- Write an opinion about a book he or she has read
- Write stories that include a short sequence of events and include a clear beginning, middle, and end
- Participate in shared research projects
- Take part in conversations by linking his or her comments to the remarks of others
- Retell key information or ideas from media or books read aloud

Building a Partnership

As parents you will be invited throughout the year to share in your child's learning. Families will have opportunities to celebrate student learning through end of unit celebrations and field trips.

SES and SES PTO Sponsored Events

Virtual Meet & Greet
Special Assemblies
Book Fairs
Class Trips
Art Shows
Student Concerts
Parent Academies
Technology Resources for Parents

Online Resources for You to Use at Home

SES is committed to providing resources for families to promote student learning. Some resources are:

IXL: www.ixl.com -Dynamic adaptive learning in the areas of math, language arts, science, and social studies

Freckle: www.stafford.k12.ct.us - (click on: Community links-Math Program Links- SAM Login) adaptive math fact instruction and practice

LexiaCore 5: www.lexiacore5.com - research-proven program that provides explicit, systematic, personalized learning in the six areas of reading instruction

Raz-Kids: www.raz-kids.com Online guided reading program with interactive ebooks, downloadable books, and reading quizzes

Goals for Student Achievement

Stafford Public Schools

District Goals

It is the mission of the Stafford Public Schools, to provide a comprehensive literacy program that is rigorous and supports 21st century learning. In an effort to meet the demands of the common core standards, Stafford Public Schools immerses students in a balanced literacy approach. This means, students engage in all sorts of activities throughout the course of the day to build on all components of language development including speaking, listening, reading, and writing experiences. It is our goal to ensure a high quality foundational and core program that meets the needs of all learners.

Meeting the Needs of all Learners

It is the mission of SPS to systematically gather and analyze evidence of student performance to ensure continuous progress toward the goals of the educational program. The district works to continue the implementation of its SRBI Program.

Academic and Behavioral Goals

- Increase student reading proficiency
- Increase student math proficiency
- Promote positive student interactions and school climate.

Teachers, Parents, Students----Together for Success

In the classroom, teachers will support students by...

- Providing quality instruction
- Maintaining a safe and respectful classroom
- Communicating progress to students and parents
- Making learning engaging, meaningful, and individualized
- Communicating expectations clearly

In school, students will...

- Be Safe
- Be Responsible
- Be Respectful
- Be the best in all that they do

Specialists:

Jessica Cooley, Reading Specialist

Michelle Hasel, Reading Specialist
haselm@stafford.k12.ct.us
Kera Pixton, Reading Specialist
pixtonk@stafford.k12.ct.us
Kim Evans, Reading Specialist
evansk@stafford.k12.ct.us
Marcia Jacobs, Math Specialist
jacobsm@stafford.k12.ct.us
Lynn Erickson, Technology Integration Specialist
ericksonl@stafford.k12.ct.us
Lisa Lobik, Literacy Leader
lobikl@stafford.k12.ct.us

At home, parents will support students by...

- Checking Google Classroom for home correspondences.
- Reading and discussing the school's student handbook and other school related communications with their child
- Communicating important information to classroom teacher
- Committing to daily attendance and punctuality
- Setting aside daily reading time and establishing a set homework routine
